

**QA: Since "Evolution" Is Taught In Schools, Doesn't the Bible Teach It?**  
by [John T Polk II](#)

*All Scriptures and comments are based on the **New King James Version**, unless otherwise noted.*

**QUESTION: Since "Evolution" is taught all schools, and shown in museums, TV & movies, doesn't the Bible also teach it?**

**ANSWER: No, because the Bible is right, even if no else accepts what it says. We "are saved, if you hold fast that word which I preached to you--unless you believed in vain" (1 Corinthians 15:2)! Vain faith is based in "museums, TV & movies" and not based on the truth of Scriptures.**

**1. There are no "prehistoric people."**

According to the genealogy of Jesus Christ in **Matthew 1:1-17**, there were 42 generations from Abraham to Jesus Christ, and according to the genealogy of Jesus Christ in **Luke 3:23-38**, there were only 11 generations from Abraham to Noah, and only 9 more generations from Noah to Adam, or about 62 generations in all. Since Adam & Eve were the first humans God made in the Creation in **Genesis 1:26-30**, and they were given "dominion over the fish of the sea, over the birds of the air and over every living thing that moves on the earth," then there never has been a time when:

- a. dinosaurs ruled the earth;
- b. there were "prehistoric humans;"
- c. the earth was "millions and millions of years" in the making!

*Truth is in the Bible, not in some men's mindless blindness!*

**2. There is no proof of "Evolution."**

The doctrine of Evolution has not one single, solitary scientific fact that upholds it. It has not one single, solitary fossil sample of the "crossovers" necessary to support it. It has not one single, solitary Scripture that teaches it. It has not one single, solitary system of dating that conclusively establishes it. It is nothing but propaganda, supported and taught as a government-funded, godless explanation of the Creation. David said it right:

Yours, O LORD, *is* the greatness, The power and the glory, The victory and the majesty; For all that is in heaven and in earth *is Yours*; Yours *is* the kingdom, O LORD, And You are exalted as head over all.

(**1 Chronicles 29:11**)

God has spoken once, Twice I have heard this: That power *belongs* to God. (**Psalms 62:11**)

### 3. **Proof Of Creation**

Everything on earth had a beginning. Every effect must have an adequate cause. "For every house is built by someone, but He who built all things *is* God" (**Hebrews 3:4**), an inescapable conclusion of common sense.

By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible. (**Hebrews 11:3**)

What we "see" is material substance, but it was not made from itself! All scientific evidence and fact prove that matter is not eternal and must have had a beginning.

In the beginning God created the heavens and the earth. (**Genesis 1:1**)

The Bible begins with one of the strongest proofs possible that there had to have been The Creator: from nothing came something caused by The Power ("God"), who is the uncaused First Cause!
