**5-25-2015                      Pentecost Re-enactment?**

The 12 Apostles were gathered together on the Pentecost after Jesus' resurrection.

Then there appeared to them divided tongues, as of fire, and one sat upon each of them. And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance (**Acts 2:1-4**).

According to the Bible, this Pentecost experience has never been repeated. What Peter saw at Cornelius' house was the only thing like what had come on the twelve Apostles "at the beginning" (**Acts 11:15**). Gathering in Jerusalem today on a Pentecost to try to share in the same experience would be as useless as returning to a battlefield on Memorial Day, expecting to fight the past battle! What has passed in history cannot be repeated, nor should we expect it to be!

According to the **Environmental Protection Agency's website**:

Scientists have pieced together a picture of Earth's climate, dating back hundreds of thousands of years, by analyzing a number of *indirect* measures of climate such as ice cores, tree rings, glacier lengths, pollen remains, and ocean sediments, and by studying changes in Earth's orbit around the sun.

This is their "evidence" for their "Climate Change" doctrine? According to the Bible, the Earth has not been in existence for "hundreds of thousands of years." In **Jude 14**, Enoch is the "seventh from Adam," which covers Genesis chapters 1-5, and there is then a connection of generations until Abraham in **Genesis 10-11**. There were only 42 "generations" from Abraham to Jesus Christ (**Matthew 1:1-17**).

The EPA follows fictional Evolution for their "Climate Change" fantasy, God's Bible follows actual facts!

**5-27-2015                      God versus "Climate Change" #2**

The entire "Climate Change" fantasy is supposedly based upon so-called "scientists" piecing "together a picture of Earth's climate, dating back hundreds of thousands of years" according to the **Environmental Protection Agency's website**.

Are these the same people who cannot accurately piece together a weekly forecast that can be etched in stone? Or are these so-called "scientists" really the "scoffers" who Peter said come:

... Walking in their own lusts, and saying, 'Where is the promise of His coming? For since the fathers fell asleep, all things continue as they were from the beginning of creation' (**2 Peter 3:3-4**)?

They willfully ignore the evidence for the world-wide flood in Noah's day which destroyed life on the Earth (**2 Peter 3:5-6**). If "Climate Change" is based upon willful ignorance, how ignorant are those who follow after it?

**5-28-2015                      God versus "Climate Change #3**

Paul warned: "O Timothy! Guard what was committed to your trust, avoiding the profane and idle babblings and contradictions of what is falsely called knowledge-- by professing it some have strayed concerning the faith" (**1 Timothy 6:20-21**).

"Climate Change" is one of the recent "contradictions of what is falsely called knowledge." Science can only deal in what may be demonstrated, and the age of the Earth and weather patterns cannot be demonstrated but merely "guesstimated."

Now faith is the substance of things hoped for, the evidence of things not seen" (**Hebrews 11:1**).

"Climate Change" has no "evidence," but only wild guesses and estimates to support it. "Climate Change" is founded upon "blind faith" but the Bible faith has factual "evidence" to support it! If "the blind leads the blind, both will fall into a ditch" (**Matthew 15:14**).

**5-29-2015                      God versus "Climate Change #4**

The false doctrine of "Climate Change" assumes that humans can influence and/ or control our "climate." Climate control is in the hand of God, not man. Paul showed that

... The living God [is He] who made the heaven, the earth, the sea, and all things that are in them"...Nevertheless He did not leave Himself without witness, in that He did good, gave us rain from heaven and fruitful seasons, filling our hearts with food and gladness (**Acts 14:15, 17**).

After the world-wide destruction of the Earth by the flood in Noah's day, God decreed:

While the earth remains, Seedtime and harvest, Cold and heat, Winter and summer, And day and night Shall not cease (**Genesis 8:22**).

How arrogant are those who try to act like God and claim to have control over the seasons?
