

QA: If Evolution is Proven Science, Isn't the Bible Against Science? by [John T Polk II](#)

*All Scriptures and comments are based on the **New King James Version**, unless otherwise noted.*

QUESTION: If Evolution has so much science proving it, doesn't this make the Bible against science?

ANSWER: No. There is not one single, scientific fact that supports the mythical dogma of "Evolution." There is no fossil evidence of the "in-betweens" that could establish it.

1) **Devolving Evolution** In one passage, by stating scientific facts, the New Testament destroys the false doctrine of Evolution.

All flesh is not the same flesh, but there is one *kind* of flesh of men, another flesh of animals, another of fish, *and* another of birds. *There are* also celestial bodies and terrestrial bodies; but the glory of the celestial is one, and the *glory* of the terrestrial *is* another. There is one glory of the sun, another glory of the moon, and another glory of the stars; for *one* star differs from *another* star in glory. (**1 Corinthians 15:39-41**)

Evolution falsely says "all flesh is the same" without any scientific proof! Evolution falsely says our Earth is no different from celestial bodies, but no observation proves this! The Bible rightly shows the sun, moon and stars are different from each other! Our Creator should know!

2) **The Water Line** On the second day of The Creation,

[God] divided the waters which were under the firmament from the waters which were above the firmament; and it was so. And God called the firmament Heaven. (**Genesis 1:7-8**)

God, not "Evolution," determined water limits on Earth. Nothing mankind has done, or can do, changes God's limits for water.

You who laid the foundations of the earth,
So that it should not be moved forever,
You covered it with the deep as with a garment;
The waters stood above the mountains.
At Your rebuke they fled;
At the voice of Your thunder they hastened away.
They went up over the mountains;
They went down into the valleys,
To the place which You founded for them.

You have set a boundary that they may not pass over,
That they may not return to cover the earth. (**Psalm 104:5-9**)

3) **Evolution's "Time" Challenged!** Evolutionists make the time argument outlined by Peter:

Scoffers will come in the last days, walking according to their own lusts, and saying, "Where is the promise of His coming? For since the fathers fell asleep, **all things continue as they were from the beginning of creation.**" For this **they willfully forget:** that by the word of God the heavens were of old, and the earth standing out of water and in the water, by which **the world that then existed perished, being flooded with water.** But the heavens and the earth *which* are now preserved by the same word, are reserved for fire until the day of judgment and perdition of ungodly men. (**2 Peter 3:3- 7**)

Evolution is anti-God!
