

“After all this the LORD struck him in his intestines with an incurable disease. Then it happened in the course of time, after the end of two years, that his intestines came out because of his sickness; **so he died in severe pain. And his people made no burning for him,** like the burning for his fathers. He was thirty-two years old when he became king. He reigned in Jerusalem eight years **and, to no one's sorrow, departed.** However they buried him in the City of David, **but not in the tombs of the kings.”**
